

Catty Trails

Catty Trails - a local non-profit organization with international acclaim:

Catty Trails is a non-profit, 501-3c organization dedicated to preserving and maintaining BMX bicycle trails in the Lehigh Valley. A local organization with international acclaim, Catty Trails has been featured in major bicycle publications and media around the world. In 2011, Catty Trails will be featured in Blue Trail Entertainment's "Accelerate" – the movie, with many of its riders featured in the film. Catty's success comes from a passion for BMX bicycle riding and a dedicated work ethic. This work ethic has inspired countless young BMX bicycle riders to participate in one of the worlds fastest growing action sports - in the Lehigh Valley... and across the globe.

An all-volunteer membership organization of BMX bicycle riders:

Since its inception in 2009, Catty's all-volunteer membership base has raised over \$25,000 in funds to lease and insure its Catty Woods location in Catasauqua, PA. Almost 50% of those funds are raised by the locals themselves, a major portion of which comes from the rider's own pockets. Another 50% is raised in the form of donations and sponsorships. It all comes together to preserve and maintain a world-class place to ride BMX bicycles for the youth and young adults of the Lehigh Valley.

How to get involved:

Whether you're looking to become a member or offer your financial support, there are several ways to get involved. Your tax-deductible donations can help to preserve and maintain a place to ride BMX for generations of young riders in the Lehigh Valley. In addition, sponsorship opportunities are available for local businesses that can provide advertising exposure at trail fundraiser events, summertime jams, and wintertime skatepark gatherings – all while gaining international visibility to the youth of the world's fastest growing action sports.

How to Contact:

Jay Crosson, President - Catty Trails, Inc.
213 E. Union Street Whitehall, PA 18052
610-442-2927
